We shall always remember the moments spent with our classmates in the classrooms, the cafeteria, the halls, and on the school lawn.

CROWDED INTO MANY HAPPY HOURS WERE GOLDEN

The laughter of the happy days, the
sighs of the bad days, will be present
in our memories forever.

"'Tho other nights and other days
may find us gone our separate ways
. We will have these
moments to remember."

MEMORIES THAT WE SHALL ALWAYS REMEMBER

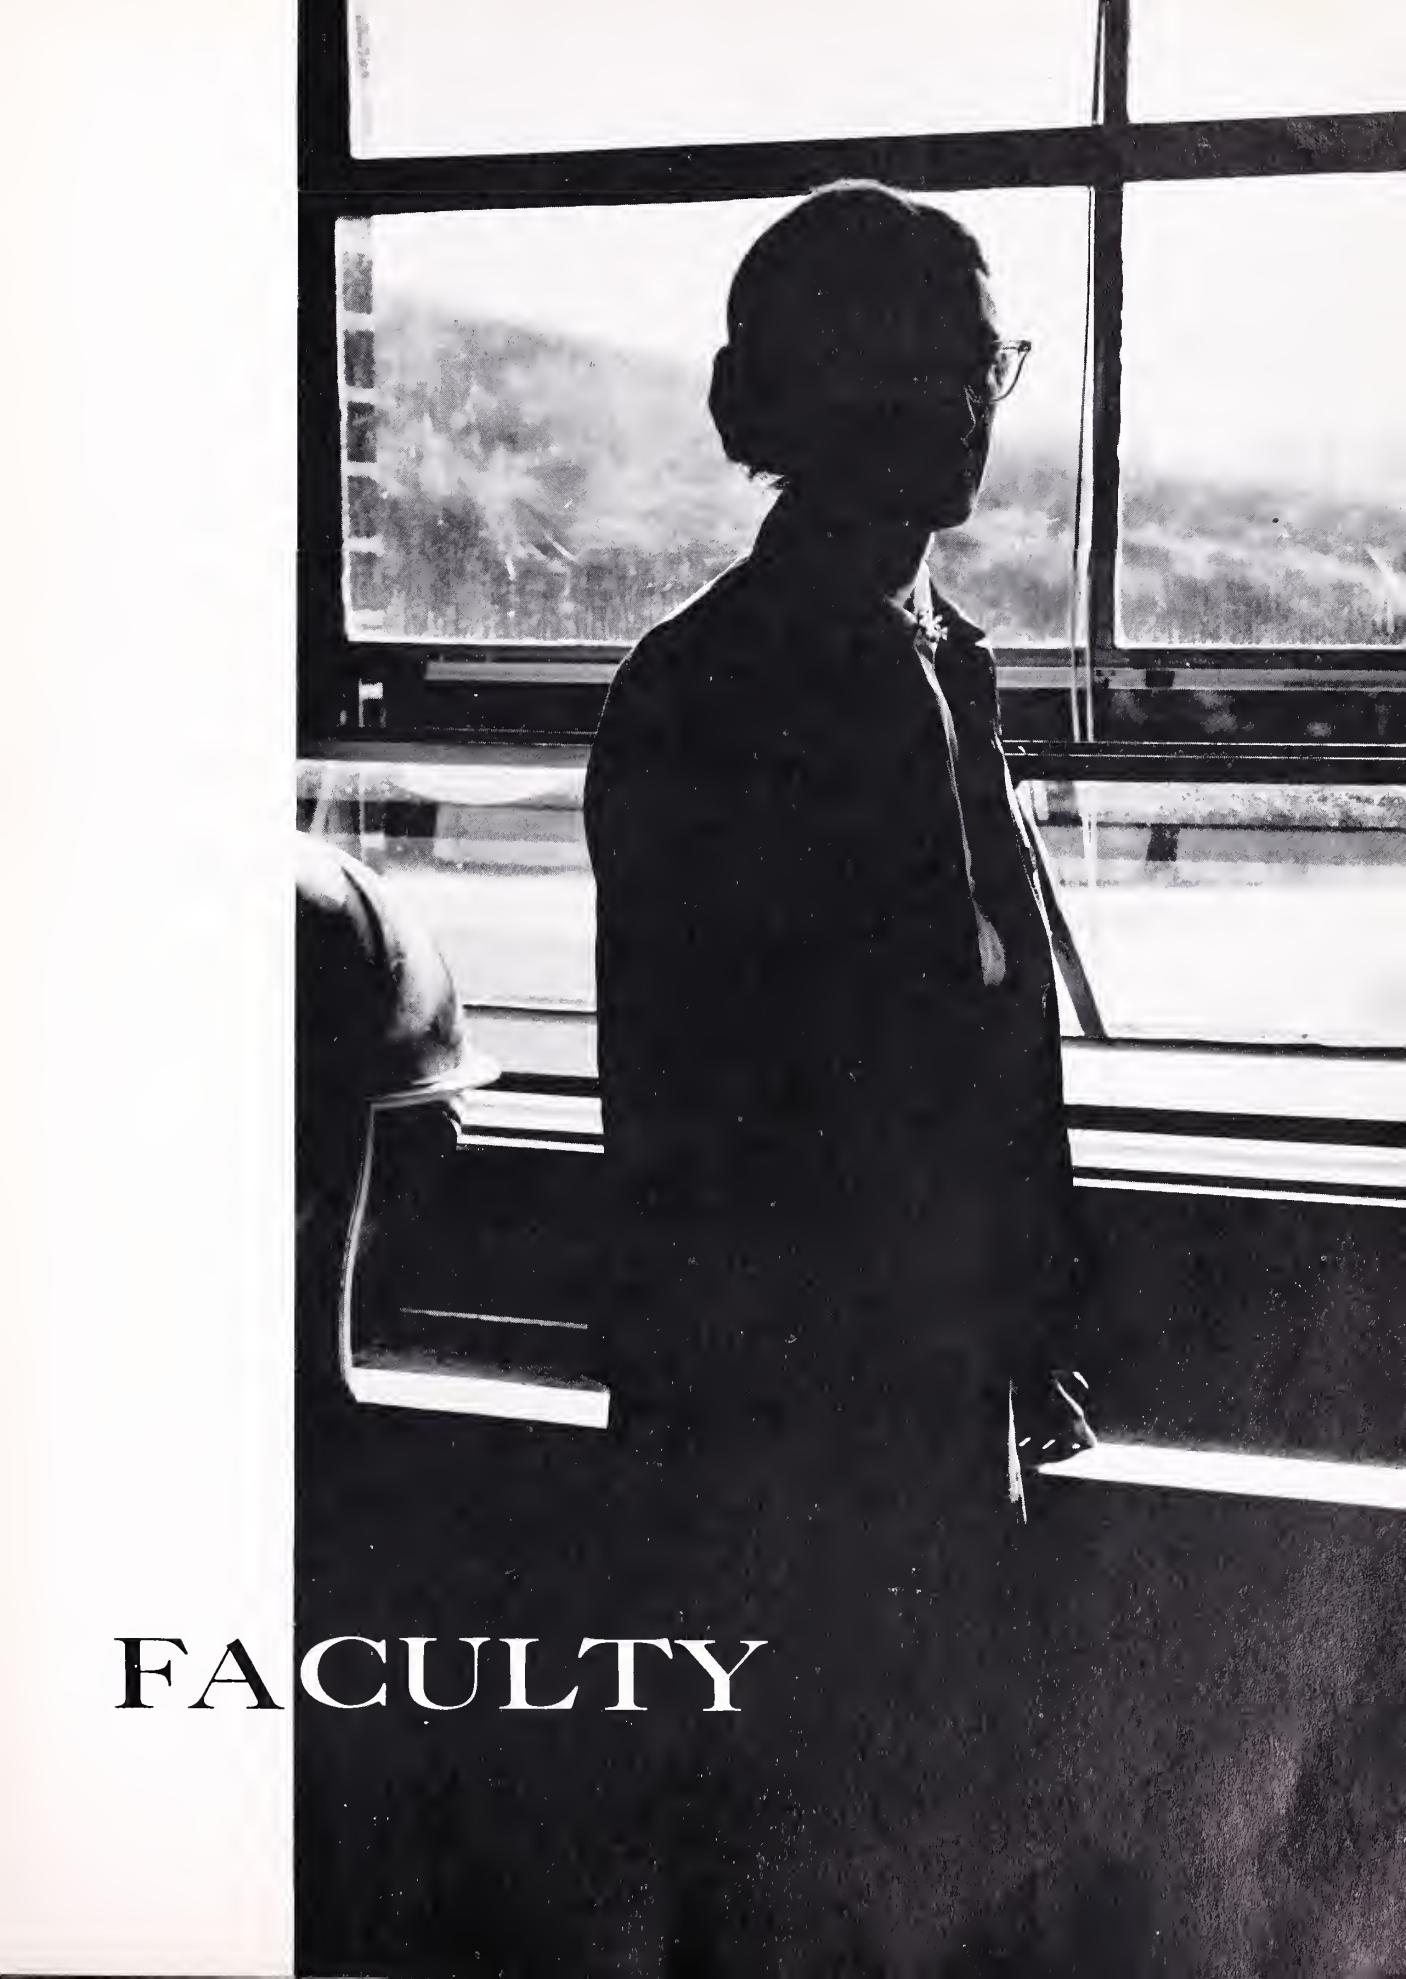

Dedicated....

..... To one who has given many years of hard work and unlimited service to our school.

Her ideas, guidance, and help have become so much a part of our school and community, that without them we would be unable to carry on.

We, the Annual Staff of 1958, wishing to express our appreciation and devotion to her, do humbly and gratefully dedicate the 1958 Edition of the Peak to Miss Ella Bryant Dickenson.

We have said good-bye to our Alma Mater, but many, many memories of days spent in Tazewell High School will always linger with us.

We will long remember you, our school. To us you are a temple of learning, a blueprint for our future, a symbol of our liberty.

We shall remember you as you were in the spring with the sun shining on your cornerstone; we shall remember you as you were with snow on your walks and the wind beating against your window panes.

You have stood enduring and strong-----inviting us to enter. Your doors have been opened to us seven hundred and twenty times during the past four years.

As we walk through these same doors at graduation we will know that it is the last time we shall be a student part of you. But you shall be a part of us forever!

CONGRATULATIONS
To The
GRADUATING CLASS

A good school specializing in many branches
of professional business training.

You receive personal consideration of your interests or problems the moment you visit McLains. Guidance, Admissions and Placement are at your service. Small classes mean a more personalized education. A well-balanced program of study. Today, the expression "learning the business" is fast disappearing from the vocabulary of business men. Modern business hasn't time to vocationally start out its employees. The trained ones win!

Well organized social activities, and athletic program to better prepare for social and civic leadership. You train for a definite career goal. By studying only subjects directly related to the business field of your choice, requires shorter time with a resultant lower cost. It pays to prepare at McLains - just ask anyone who knows.

symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
